QSOA RECEIVES GRANTS TO ATTEND CONFERENCE

The Quincy Symphony Orchestra Association received grants from the Tracy Family Foundation and Encore! Symphony Volunteer Council to send General Manager Jane Polett, Music Director Bruce Briney, and volunteer Robin Walden to the League of American Orchestras Annual Conference held in Chicago in June. Mrs. Polett's attendance was also sponsored by the Illinois Arts Council, a state agency. This year's LAO Conference was entitled THE NEW REALITY: ECONOMICS & PUBLIC VALUE. Administrators, musicians, trustees, volunteers, and business partners examined developments in financial management, artistic programming, community partnerships, social networking, and innovative approaches to leadership and problem-solving.
